Charity No. 1084451

Updated July 2023

Croydon Neighbourhood Care Association

CNCA are an infrastructure charity who have operated in Croydon since 1998 and have a significant membership of Groups and Neighbourhood Cares across Croydon; all of whom provide essential support services for the over 65s. CNCA provides capacity building, fundraising support, information forums, advice and training support.

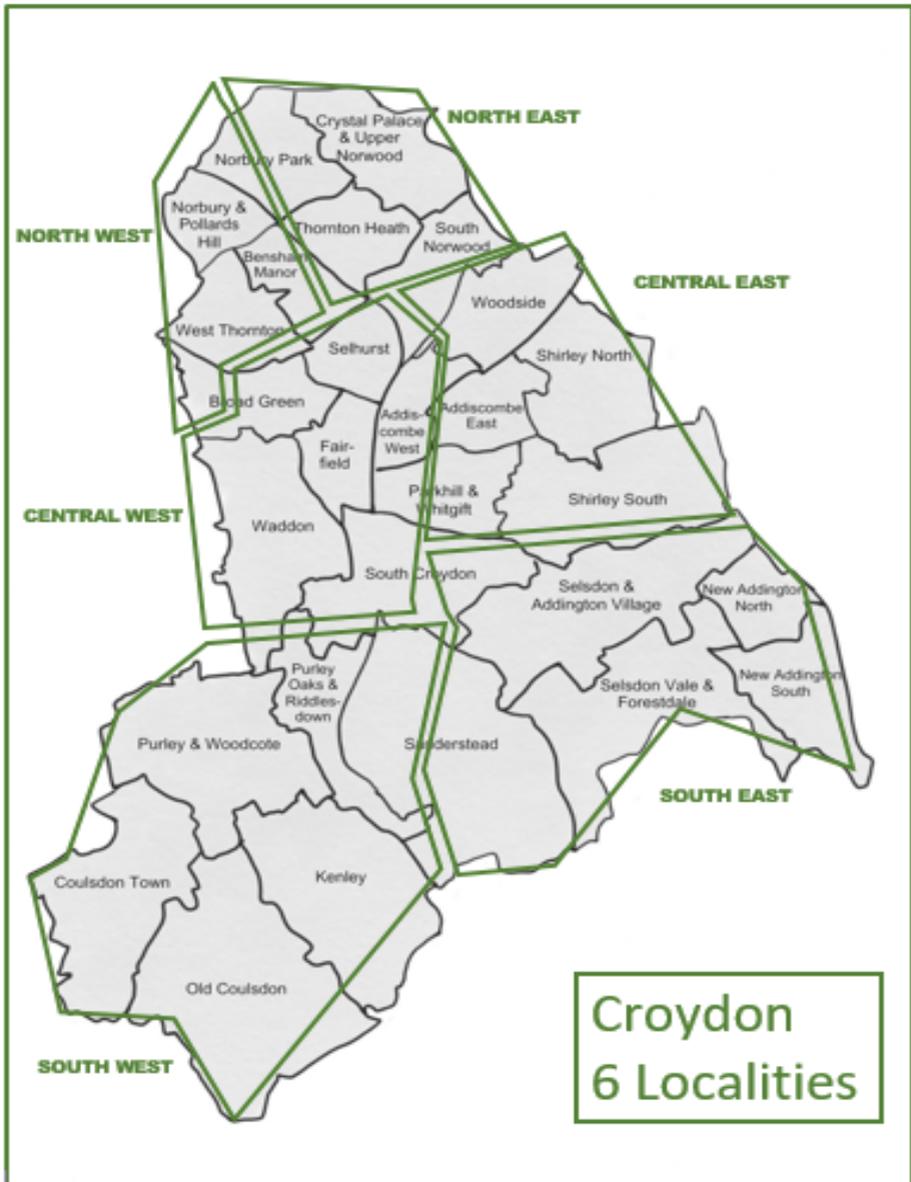

We have the only complex Befriending service in Croydon, providing home visits to frail, elderly, housebound people with complex needs and often a dementia diagnosis. Referrals predominantly come from statutory agencies, particularly social care, and we carry out a long term piece of work, supporting those very vulnerable clients to stay safe in their own homes. Alongside this, is a volunteer run telephone-Befriending service and a ‘keeping in touch’ service with ongoing communication to other agencies involved and any relatives or friends – especially those living a distance away or abroad.
