## DBS Service

The Disclosure and Barring Service (DBS) Checks (previously CRB Checks) are an essential part of running an Organisation/Group which deals with Vulnerable Groups and Volunteers. It is now a Statutory requirement for many Neighbourhood Care Groups, Third Sector Organisations and Private Sector Groups (Medical Practices, Clinics, Dentists, etc.) to ensure that all their Salaried Staff and Volunteers are DBS Checked, especially if they are receiving funds from or dealing with Governmental/Local Government Organisations like the London Borough of Croydon.

To find out more about our service, please contact the office directly:

**020 8662 1000 or [info@cnca.org.uk](mailto:info@cnca.org.uk)**

## CNCA Membership Services

Becoming a member of CNCA will provide you with an opportunity to advertise your service across London Borough of Croydon by brochure and website. CNCA will also recommend your services on your behalf.

- Advertising of your Group Services in the CNCA Brochure
- DBS Checks - Official Counter Signatory
- Access to Training Programmes organised and hosted by CNCA
- Attendance at CNCA's Membership Forum Meetings

**For any of these services please contact us on either
