Croydon Neighbourhood Care Association

CNCA are an infrastructure charity who have operated in Croydon since 1998 and have a significant membership of Groups and Neighbourhood Cares across Croydon; all of whom provide essential support services for the over 65s. CNCA provides capacity building, fundraising support, information forums, advice and training support.

We have the only complex Befriending service in Croydon, providing home visits to frail, elderly, housebound people with complex needs and often a dementia diagnosis. Referrals predominantly come from statutory agencies, particularly social care, and we carry out a long term piece of work, supporting those very vulnerable clients to stay safe in their own homes. Alongside this, is a volunteer run telephone-Befriending service and a 'keeping in touch' service with ongoing communication to other agencies involved and any relatives or friends – especially those living a distance away or abroad.

CNCA Membership Services

Our membership is open to everyone, for example you may have a once a week lunch club or offer just one or two services, but no organisation is too small. If you cater for the over 65s, you can become a member and have access to a range of services, advice and information. CNCA will provide you with an opportunity to advertise your service across London Borough of Croydon by brochure and website. CNCA will also recommend your services on your behalf.

- Advertising of your group services in the CNCA directory
- Access to training programmes organised and hosted by CNCA
- Attendance at CNCA's membership forum meetings
- Advice, information and support
