

Our Member Groups

Many of our member groups are beginning to resume services. They are proceeding with some caution and still following Covid guidelines where possible. They are doing amazing work, in often restricted circumstances, adapting their service to welcome back their clients safely.

We would love to hear from all our member groups on their plans for the immediate future and are here with advice and help where possible.

If you work with the over 65s, however small your organisation may be, and you're not already a member group, please get in touch with us at info@cnca.org.uk.
