

Thank You to all Volunteers

Last week was volunteer week. Our own volunteers here at CNCA make such a difference to our clients. Thank you so much to them and to all those that give their time to our member groups in various roles. Volunteers are key to delivering a great service and are essential to all charities and voluntary organisations.

CNCA Befrienders

CNCA are still the only befriending service in Croydon providing home visits to frail,

elderly, housebound people with complex needs and often a dementia diagnosis. Alongside this is a volunteer run telephone 'keeping in touch' service. If you have anyone who could benefit from our level of support, please contact us for a referral form:
